Subject: Re: 1903 Hill Oaks Court-historic review

Kalan,
I was speaking with an old acquaintance of mine, Ross Rathgeber, and he advised me to make it known that I am adamantly opposed to the potential historic designation and to please consider this a valid petition.
I do plan on bringing some materials with me (in case they are needed) and I hope to be able to provide them to you beforehand for uploading.
Thank you and have a great weekend,
Clayton
