Subject: Request for postponement of the Congress Avenue Baptist Church up-zoning case C14-2013-0022

Mr. Heckman,

Last night at the SRCC General Membership meeting, the members voted to ask for a postponement to the September 10th Planning Commission meeting for the Congress Avenue Baptist Church up-zoning hearing (C14-2013-0022). The goal is to give us enough time to get the concerned parties together one more time for a meeting/discussion and then allow enough time for the General Membership to meet again at our September 2nd meeting and have a final vote. In separate communications with Ron Thrower, the representative for the applicant, he has indicated that they would also request the same postponement. In the event that the postponement is not granted, however, the SRCC membership did vote to oppose the up-zoning.

Thank you,

Marc Davis
SRCC President
