Note regarding my objection, as part of Objection #9: The Guesthouse Hotel's Request for Building Waiver.

As a homeowner in Austin for 23 years, I have been obligated repeatedly by the City of Austin to comply with building codes and ordinances regarding my use of my property. This has often been at great cost to me, being a person of limited income. I feel strongly that this new entity be required to comply with the codes, as I've been told more than once that they are for the greater good and our protection. The Church in Austin purchased and occupied its property some 40 years ago. It/we have faithfully complied with the City.
