Oposición #2:
La solicitud de exención de la construcción por The Guesthouse Hotel

The Guesthouse Hotel está solicitando una exención del código de la ciudad para poder construir el edificio del hotel a 5 pies de la propiedad de *The Church in Austin* en lugar de permitir 24 pies de retroceso como se requiere según las normas de compatibilidad del código de la ciudad.

Yo soy miembro de *The Church in Austin*.

Me opongo a que la Ciudad de Austin haga exención del retroceso de construcción de 24 pies necesarios como fue antes mencionado.

Oposición #2:
La solicitud de exención de la construcción por The Guesthouse Hotel

The Guesthouse Hotel está solicitando una exención del código de la ciudad para poder construir el edificio del hotel a 5 pies de la propiedad de *The Church in Austin* en lugar de permitir 24 pies de retroceso como se requiere según las normas de compatibilidad del código de la ciudad.

Yo soy miembro de *The Church in Austin*.

Me opongo a que la Ciudad de Austin haga exención del retroceso de construcción de 24 pies necesarios como fue antes mencionado.
