Black Male driver, Operator ID# 600598, acted unprofessionally, discourteously, disrespectfully, ass-backwards + wrong, violating CAP METRO policy, procedure, + customer service objectives Austin Transportation Code 13-2-132 + Texas/U.S. Constitution law.

Specifically, when non-Black Male Passenger with luggage was boarding Bus # 2634 at the Savers stop for the 383-southbound route, Operator ID# 600598 repeatedly told HIM not to place HIS gear by the door, though

playing head games.

Then, Operator ID#600598 verbally + psychologically attacked non-Black male passenger with luggage again, telling HIM HE had to have all HIS gear under HIS seat.

However, Operator ID#600598's opinion is false because CAP METRO's Code of Conduct says a passenger's belongings should be on their lap or at their feet. Therefore not only did Operator ID#600598 contradict CAP METRO's Code of Conduct, but he tried making up + enforcing his own overly restrictive rule + passing it off as CAP METRO's, which is dishonest, fraudulent, + an abuse of official capacity, violating the Texas Penal Code.

NAME: Mr. Anon Y Mous

Instead, Non-Black Male Passenger with luggage countered by telling Operator ID # 600598 that his statement was not true + that HE (Non-Black Male Passenger with luggage) had the rules with HIM.

So, Operator ID# 600598 again tried controlling the situation he created that's not his to control, saying he was just telling Non-Black Male Passenger with luggage the rules + regulations, though the "rules + regulations" Operator ID # 600598 was "quoting" are not CAP METRO'S.

(5 of 12)

Then he disrespectfully + rudely told Non-Black Male Passenger with luggage to "just go sit down" to again try controlling Non-Black

Operator ID#600598 did not agree, telling Non-Black Male Passenger with luggage, "we'll see about that."

So, Non-Black Male Passenger with luggage overruled Operator ID #600598, saying "no, that's how it is."

~~There~~ That ended the first interaction.

The second interaction occurred when Non-Black Male Passenger with luggage was ~~[illegible]~~ exiting BUS # 2634 at Stop 2732.

Operator ID # 600598 did not initially lower the bus at the requested stop, like he's supposed to do. So Non-Black Male Passenger with luggage clearly + firmly directed Operator ID # 600598 to lower the bus as ~~[illegible]~~ low as it could go. →

believing that the bus was fully lowered when it was not.

Therefore, Non-Black Male Passenger with luggage then told Operator ID # 600598 that the power/control games he initiated ~~[illegible]~~ were not acceptable & would not be tolerated. Then Non-Black Male Passenger with luggage finished exiting the ~~bus~~ partially-lowered bus after getting the last word in over Operator ID # 600598.

Black female driver, Operator ID# 37050, acted unprofessionally, discourteously, disrespectfully, ass-backwards, + wrong, violating CAP METRO customer service requirements, Texas Penal Code 1.07(a)(41)(A), + Austin Transportation Code 13-2-132.

she was only trying to "help" HIM, though the truth was she was trying to hurt HIM.

So, after HE called at her bullshit, telling her she wasn't trying to help HIM, she tried convincing HIM to do it because HIS gear was "blocking the aisle" though HIS gear clearly was not blocking the aisle because passengers cold walk up + down the aisle freely.

So after HE called at her bullshit on that, HE told her HIS gear was not blocking the aisle + that all her bullshit was about power + control, her trying to exert power over HIM she does not have to control HIM.

Therefore, HE reminded her that she's a public servant per Texas Penal Code 1.07(a)(41)(A) meaning it's she who serves HIM,

insanity.

In fact, when Non-Black Male Passenger with luggage was exiting Bus # 2366 at 12th & Guadalupe, HE told her never to try pulling that controlling, feminist crap on HIM again. h

In response, Operator ID# 37050 actually said, "Thank you for my two cars and...," trying to mock Non-Black Male Passenger with luggage, who obviously has given her nothing, which is what she deserves, and put HIM down because HE was riding the bus. Therefore, again, she was trying to [redacted] exert power over HIM she does not have and trying to put herself over HIM, though it's HE the WINNER, who is above her, the LOSER. l

above her professional responsibilities while on duty, as well as mixing the personal with the professional while on duty, though the personal should be kept separate from the professional while on duty on the bus, showing more of Operator ID # 37050's upside-down ass-backwards fatal fraudulent feminist ~~[illegible]~~ mentally ill mindset.

Immediately ~~[illegible]~~ put this complaint in Operator ID # 37050's personnel file + keep it there permanently.

Because Operator ID # 37050, a Black female driver repeated tried confusing + controlling Non-Black Male Passenger

For example, LOSER Operator ID # 37050 actually tried emotionally manipulating Non-Black Male Passenger with luggage by trying to guilt HIM into moving HIMSELF + HIS luggage where she wanted, telling HIM, "I got out of my seat to pull this bench up for you," though HE did not ask, tell, or need her to do so.

Therefore HE defeated her sicho bullshit by staying seated where HE chose.

Bottom line, Operator ID# 37050 should be immediately + permanently FIRED because her fatal fraudulent feminist mindset, words + actions are cancers to a healthy, sane patriarchal society.

Re: New information further justifying immediately + permanently FIRING Vince Wade from the security guard job at Central Library

Attached is Vince Wade's City of Austin job application for his current security guard position at Central Library.

On page 4, Wade claims he started working for the Travis County Sheriff's Department as a Corrections Officer / Peace Officer on 08/19/2015, immediately after allegedly sexually harassing April Balombe at work for months earlier that year, so APL would not consider it when hiring him.

[See the materials I handed you at the

Law Department + City Manager's office to do that now re: Wade's false entry on his job application that he used to get hired as a security guard at Central Library.

Once officially confirmed, use it to immediately + permanently FIRE Wade, because until July 20, 2019 Wade will continue being in his new employee probationary period, when he can be legally dismissed at any time on any basis without appeal.

[See the March materials and the Certify statement on page 7 of the job application for the evidence]

Also, Director Weeks appears to be an accessory to Wade's alleged crime because Weeks told me in writing that listing the Travis County Sheriff's Office (Department) as a past employer on Wade's application was the extent of pertinent information
