Subject: Samsung's plan to block off access to Parmer

*** External Email - Exercise Caution ***

My name is Janet Chimino and I am writing to object to Samsung's request to block off our neighborhoods access to Parmer lane via Samsung Blvd. This is a main road that we all use to enter and exit out neighborhood. They are also continuing to build more homes on Sprinkle cut off which will mean several hundred more residents in this area that need that road access. Please disapprove this plan. This will greatly affect the residents in this area.
Sincerely,
Janet Chimino
