*** External Email - Exercise Caution ***

Hello Ms. Smith,

I received a notification that the Drenner Group have put in a request (on behalf of Samsung Plant) for approval to block off the main road leading out of our neighborhood to Parmer Lane. Samsung Blvd to Parmer Lane is one of the major roads in and out of our neighborhoods and I am voicing my opposition and hope the City of Austin will not approve this request. Sprinkle Cutoff Road simply cannot handle traffic for all residents not to mention the inconvenience of having that road closed off.

Please do not approve this request!!
Thank you, Kim
