*** External Email - Exercise Caution ***

Good day,
Recently, Samsung purchased additional land to the east of their plant and now plans to block off the main road leading out of our neighborhood, Pioneer Crossing East, to Parmer Lane. No other information has been shared as to an alternate route out of the neighborhood, and Sprinkle Cutoff Road cannot handle traffic for our 1100+ residents!

I strongly oppose Samsung's request to block this road. Sprinkle Cut-off cannot handle the traffic coming in and out of this community especially as this neighborhood is continuing to expand.

Sincerely,
Isola Montero
Pioneer Crossing East Home Owner
