FACILITY OVERVIEW AND AMENITIES

CATERING AND BEVERAGE PROVIDERS:

For private events, users may supply their own food/beverage from home, or select a caterer or provider of their own interest. Learn more about food safety at: https://www.foodsafety.gov/. For public events, users must select caterers/providers that are able to procure health and/or TABC permits.

BUILDING: The 800 square foot building has a ceramic tile floor which leads to a set of commercial folding accordian doors to an outdoor patio. A small concrete apron on the east side is covered by a 330 square foot steel and wood canopy. It extends further into the pocket park with a decomposed granite semi-circle patio space that extends the length of the building in diameter. The building is air conditioned.

A single door is located on the north side of the building next to the ADA parking area, folding accordian doors are located on the east side along with 1 set of double doors.

SERVICE AREA/COUNTER: A laminate counter top runs the full length of the buildings west interior side, which also contains hot & cold potable water in the single basin stainless steel sink.

EQUIPMENT: Six 6' tables, and 36 chairs are provided for organizer set up <u>inside the facility</u>. There is a manually operated **pull down projection screen** on the southern third of the interior building space. Users must bring their own AV/projection equipment.

RESTROOMS: 1 single occupant indoor restroom is located inside with hot/cold water sink.

ELECTRICITY AVAILABLE: 4 household style duplex electrical outlets are available in the INTERIOR along the <u>west counter top</u>. A 5th duplex outlet is also avialable, however dedicated to the refrigerator on site. Additional appliances should NOT be plugged into this outlet near the sink/refrigerator.

- Most major or cooking/heating appliances should <u>NOT</u> be used with extension cords.
 Use only the attached/provided cord that came with the device.
- Power strips do <u>NOT</u> "add" capacity to plugs. They only tax outlets when more items are plugged into the primary outlet.
- Appropriate gauge (thickness) cords required for ANY device/appliance/item if the manufacturer guidelines used on site.
- Do <u>NOT</u> stack string or holiday style lights. This is only accomplished with LED based lights.

WATER AVAILABLE: Hot and cold water is available in the kitchen.

PARKING: Parking is available along public neighborhood roadways. Users are required to have their guests carpool. All parking is on a first-come first served basis. **Parking Fee:** There IS NO fee for parking.

ACCESSIBILITY: The building is ADA accessible. There is 1 ADA parking space at the building area.
