01:15:37 Heidi Anderson: I have to peel off for another call - thank you Claire and team for keeping us updated!

01:31:50 Michael Cannatti: Regarding heavy traffic, THANK GOD that APF and C3 funded the lawn irrigation system those many years ago. Maybe the Polo Fields can be reclaimed in a similar way (if not funding source).

01:36:12 Colin Wallis: Thanks, everyone! Great discussion.
