

**2018-2019 BUDGET QUESTION**  
***Response to Request for Information***

---

**DEPARTMENT:** Fleet Services

**REQUEST NO.:** 135

**REQUESTED BY:** Alter

**DATE REQUESTED:** 8/30/18

**DATE POSTED:** 9/6/18

**REQUEST:** Why is there a zero ending balance for the Vehicle Acquisition Fund in FY 2018? Is this Fund going away?

---

**RESPONSE:**

This fund is not going away. The Vehicle Acquisition Fund was established to fund the acquisition of new and replacement vehicles and equipment for General Fund departments and is usually funded by a transfer from the Budget Stabilization Reserve Fund.

However, in FY 2018 vehicles and equipment are funded by Certificate of Obligations and included in Fleet's capital budget instead of the Vehicle Acquisition Fund, leaving a zero balance in the FY 2018.
