This contract is for the supply of new tires and tubes of various types and sizes necessary to maintain the City's fleet of light, medium, heavy, trailer, off-road and emergency vehicles and equipment used by various City departments. This contract is necessary to support the automotive and equipment fleet services centers of the Fleet Services Division of the Finance and Administrative Services Department with a reliable and continuous source of supply to purchase these products.

TCI Tire Centers is contracted through TXMAS to provide this equipment to other public entities state-wide. This cooperative purchasing program established by the Texas Building and Procurement Commission allows the City to use TXMAS contracts that have been developed from contracts that were competitively bid and awarded by the General Services Administration's Federal Supply Service.
