Neighborhood Planning & Zoning

Date: February 14, 2007

Number: C14H-05-0017

Address of Rezoning Request: 1102 Enfield Road

To: Austin City Council

We, the undersigned owners of property affected by the requested zoning change described in the referenced file, do hereby protest against any change of the Land Development Code which would zone the property to any classification other than SF-1, SF-2, SF-3, or MF-3 or result in land use for this property of more than two single-family detached units or any attached unit. We object to anything that would allow the creation of a lot less than 12,000 square feet. Land use may, however, be modified to reduce the height restrictions to less than 35'.

Uses other than those specified above are wholly incompatible with the predominant historical residential character of our neighborhood.
