Item(s) to Set Public Hearing(s)
RECOMMENDATION FOR COUNCIL ACTION**Item No. 33**

Subject: Set a public hearing to discuss and receive public comments on the 2007 Draft FAR Part 150 Noise Study Update Noise Exposure Maps and the recommended Noise Compatibility Program elements for Austin-Bergstrom International Airport. (Suggested date and time: May 24, 2007 at 6:00 p.m., Austin City Hall, 301 West Second Street, Austin, TX)

For More Information: Joe Medici 530-6563; Robert Holland 530-6604

Boards and Commission Action: Recommended by the Austin Airport Advisory Commission.

The City of Austin, Department of Aviation has prepared an airport noise compatibility study to identify and recommend mitigation of incompatibilities in the vicinity of Austin-Bergstrom International Airport (ABIA). The study follows the required methodology given in the Federal Aviation Regulations Part 150 program.

The Public Hearing is set to allow public input on the final recommendations prior to submission to the Federal Aviation Administration.
