

MEMORANDUM

TO: Toby Futrell, City Manager

FROM: Greg Canally, Budget Officer

DATE: May 3, 2007

SUBJECT: Water Conservation Task Force Recommendations

Item # 29 on the May 3, 2007 Council Agenda is to approve a resolution adopting the Water Conservation Task Force recommendations, and direct the City Manager to return to Council with any council actions necessary to implement the recommendations. This was recommended by the Water and Wastewater Commission and the Environmental Board.

At this time, this item has no fiscal or staffing impact. Any possible fiscal or staffing impact from implementing these recommendations will be determined when the City Manager reports back to Council on the details.
