I am Jeffrey W Archer, 1705 Elmhurst Drive, a card carrying member of South River City Citizens Neighborhood Assn., also a 25 year member of the neighborhood that will be impacted by case # C14-06-0188

I rise to object to the applicant's following request outline in case # C14-06-0188 Rezoning 1406-1506 Parker Ln. and request your denial.

"Oh, what a tangled web we weave, when first we practice to deceive" Sir Walter Scott
The applicant is attempting to deceive the neighbors that will be impacted by
disregarding the neighborhood plan of SF3 and fast forward to MF4 without the consensus of the neighbors.

The applicant wants the home owners that live within feet of his four (4) individual lots to support his request of MF4 zoning change, furthermore , he has requested the endorsement of SRCC His plan is in opposition to the East Riverside/Oltorf Combined Neighborhood Planning Area. The applicant has failed to negotiate in good faith.

He shows contempt and disrespect for the neighbors and the neighborhood

Again, I object to the applicant's request and request your denial of the request
