The US 290 East/Ed Bluestein Right-of-Way Area (approximately 16.32 acres) is located in Travis County southeast of the intersection of US 290 East and Ed Bluestein. Current full purpose city limits follow US 290 East right-of-way (ROW). Due to recent construction of additional lanes at this location, portions of the ROW extend beyond the existing city limits into the city's ETJ. This annexation would bring the balance of the lanes along this portion of the road into the city's full purpose jurisdiction and increase efficiency in the delivery of public safety services to this area.
