

ITEM # 152
6/21/07

MEMORANDUM

TO Toby Futrell, City Manager
FROM Greg Canally, Budget Officer
DATE July 21, 2007
SUBJECT Humane Labor Practices

This Item on the July 21, 2007 Council Agenda is to adopt an ordinance enacting a policy to procure and maintain contracts for goods and services relating to apparel garments, and corresponding accessories in a manner that supports humane and legal labor practices

This item will have no staffing impact, but it will have a fiscal impact. The City budgets approximately \$1.7 million for apparel purchases for City personnel. This item would require an amount equal to 1 percent, an estimated \$17,000, of apparel purchases made by the City annually to be directed toward monitoring compliance of vendors. This amount is presently unbudgeted, and therefore would need to be included in the FY 2007-2008 Operating Budget.
