The Blazier Elementary School Area (approximately 19 acres) is located in southern Travis County south of the intersection of Thaxton Road and Nuckols Crossing Road. The area is adjacent to the full purpose city limit on the north side and is currently in the city's limited purpose jurisdiction (annexed 07/04/05). The Austin Independent School District (AISD) owns land within this area and has requested that the City of Austin annex their property in accordance with the terms of the developer's request for annexation, the limited purpose annexation Regulatory Plan, and in anticipation of the opening of this new elementary school in the fall of 2007.
