NOW THEREFORE, BE IT RESOLVED THAT THE TRAVIS COUNTY COMMISSIONERS COURT APPROVES THE REVISED FEE STRUCTURE FOR PARTICIPATION IN THE BALCONES CANYONLANDS CONSERVATION PLAN AS FOLLOWS:

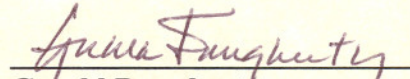

1. From July 15, 2007 to July 14, 2008, simple participation in the Plan based on the BCCP fee zone map the fee shall be \$4,000/acre in GCWA Zone 1, \$2,000/acre in GCWA Zone 2, \$4,000/acre in BCVI habitat, and \$750/acre in Karst Zones 1 and 2. The Single Family Lot Provision fee shall be \$2,000 and Agriculture Provision shall be \$1,500/acre.
2. From July 15, 2007 to July 14, 2008, participation though the alternative method the fee shall be \$5,000/acre. The fee shall be calculated on a United States Fish and Wildlife Services (USFWS) determination of take – both indirect and direct – multiplied by the appropriate habitat quality factor.
3. From July 15, 2008 to July 14, 2009, simple participation in the Plan based on the BCCP fee zone map the fee shall be \$5,500/acre in GCWA Zone 1, \$2,750/acre in GCWA Zone 2, \$5,500/acre in BCVI habitat, and \$1,000/acre in Karst Zones 1 and 2. The Single Family Lot Provision fee shall be \$2,000 and Agriculture Provision shall be \$1,500/acre.

5. When land within the Preserve, or land which has been determined by USFWS to be acceptable as part of the Preserve, is offered as mitigation in lieu of payment of the fee using the alternative approval method, USFWS shall determine the amount of mitigation credit that is received for land offered in mitigation credit that is received for land offered in mitigation.
6. Upon certification of approval of this amendment by USFWS, this extension of the revised fee structure will expire on July 14, 2009, subject to further action by the Coordinating Committee.
7. The intent of this Resolution is to prevent the new fee structure from having the effect of depressing the value of mitigation land.
