The council determines and declares that, based upon an engineering and traffic investigation and in accordance with Section 545.356 (*Authority of Municipality to Alter Speed Limits*) of the Texas Transportation Code, the speed limits prescribed by this chapter are lawful unless an increased or reduced speed is necessary for safe operation or in compliance with law.

32 (B) The traffic engineer must base a determination under this section on an
33 engineering and traffic investigation, in accordance with applicable law.

- 8 necessary for safe operation or in compliance with law.
- 9

10 **§ 12-4-42 EXTENSION OF TEMPORARY CONSTRUCTION SPEED LIMIT.**

11

- 12 (A) Before the expiration of a temporary construction zone speed limit, if the

26

27 The traffic engineer shall keep a record of each temporary construction zone,
