

MEMORANDUM

TO: Toby Futrell, City Manager

FROM: Greg Canally, Budget Officer

DATE: August 9, 2007

SUBJECT: Austin Fire Department Facilities

Item # 36 on the August 9, 2007 Council Agenda is to approve a resolution directing the City Manager to study the feasibility of providing comparable facilities for both men and women at each Austin Fire Department station.

At this time, this item has no fiscal or staffing impact. Staff will include details on providing comparable facilities for both men and women at fire stations prior to the Austin Fire Department budget presentation scheduled for August 23, 2007. Details will include cost, number of stations affected, and general description of the projected work requirements for this effort.
