TRACT #51

To Austin City Council

We, the undersigned owners of property affected by the requested zoning change described in the referenced file, do hereby protest against any change of the Land Development Code which would zone the property to any classification other than SF-6 to reflect its current use as single family townhomes

REASONS FOR PROTEST These properties are currently individually owned townhomes in a predominantly single-family residential neighborhood and we prefer that these properties be zoned to match the existing single-family use
