We, the undersigned owners of property affected by the requested zoning change described in the referenced file, do hereby protest against any change of the Land Development Code which would zone the property to any classification other than SF3

REASONS FOR PROTEST These two adjoining properties are owner-occupied single-family residences and they adjoin a single family neighborhood SF-3 is the appropriate zoning for these properties There is commercial and office zoning already in the immediate area and elsewhere along Manor Road that serves the needs of this portion of the neighborhood and additional properties zoned to allow for additional commercial uses in the future to serve the neighborhood
