In order to modify or alter the existing speed limit of a street, the Texas Traffic Laws require that a traffic engineering investigation be performed. An investigation of Curlew Drive was conducted by the Transportation Division of the Public Works Department in accordance with the procedures specified in the Texas Procedures for Establishing Speed Zones, 1997. The Transportation Division recommends adding the following to the City Code Section 12-4-63 (20 MPH School Zone):

Amendment to Code Section 12-4-63 (20 MPH School Zone):

Add: Curlew Drive from 250 feet south of Kentish Drive to 200 feet north of Kentish Drive.
