This agreement is for the use of space in AISD schools for the APD Eastside Story program and related janitorial supplies. The Eastside Story program is a community based policing program that provides youth services to elementary and middle school students living in Central and North East Austin. The primary focus of the program is to provide a safe after school environment while promoting educational success and personal development through tutoring and enrichment services. The after school program serves over 450 students from October to May in nine (9) schools and the 6 week summer program serves 250 students. The program has been an integral service to students and parents for after school care. It serves as a platform for community partnerships and for APD employee volunteers, both sworn and civilian, to interface with the community.
