AGENDA POSTING & POSTPONEMENT POLICIES

AGENDA POSTING POLICY

Normally when placing an item on a future agenda, commissioners should inform the chair prior to a meeting and announce the item under Items from Commission at the end of the agenda.

If the topic is of a sensitive nature or may be considered outside the scope of the Commission's charge, then the chair may request that it be presented to the Executive Committee for consideration prior to being placed on the agenda.

- An item that arises during the conduct of a meeting may be announced during the pertinent discussion or at the end of the meeting.
- If no objection is raised to the posting of an item, a vote and a second on the posting will not be required.
- If a disagreement arises on the posting of an item, the Commission will act upon the posting by a motion and vote.

POSTPONEMENT POLICY

General Policy: Anyone may request a postponement of a public hearing by following the instructions provided below. Individual commissioners may request postponements to be voted on by the full Commission. Note that requests for postponements of Neighborhood Plans or the rezonings that stem from Neighborhood Plans are strongly discouraged, and will not be granted except in extraordinary circumstances. Examples may include a significant defect in the planning process (e.g. lack of notification) or the availability of relevant and significant information that was not available during the planning process (e.g. the development of the Airport Overlay Zone around Austin-Bergstrom International Airport).

To Request a Postponement:

1. **Write a letter to the case manager** (case manager's name is provided in the agenda item under "City Staff") that includes 1) the date/time the letter was delivered to city staff, 2) the reason for requesting postponement, 3) requested postponement date.
2. **Ensure that the case manager or the Planning Commission Coordinator receives your letter by the beginning of the Planning Commission meeting.** Do not send requests for postponement directly to the Planning Commission. Letters to the Planning Commission Coordinator may be mailed or faxed to the address/number given below, or hand delivered to 505 Barton Springs Road, 5th floor.
3. **Attend the Commission meeting in case the request for postponement is discussed.**
