By this action the City Council authorizes the negotiation and execution of a one-year service agreement with the Austin Housing Finance Corporation (AHFC) in an amount not to exceed \$10,204,192 to manage and operate various City housing programs in fiscal year 2007-2008, including Tenant Based Rental Assistance, Rental Housing Development Assistance, Architectural Barrier Removal-Rental, Home buyer Lending Assistance, Acquisition and Development, Architectural Barrier Removal-Homeowner, Emergency Home Repair, Homeowner Moderate Rehabilitation, and Material Grants.

The Austin City Council created the AHFC in 1979 as a public non-profit corporation to facilitate the financing and development of affordable housing for low- and moderate-income residents. As an instrumentality of the City, the AHFC administers affordable housing programs using City grants, federal grant funds from the U.S. Department of Housing and Urban Development, the City's Housing Trust Fund, funds generated by the Corporation, and an annual appropriation for the AHFC's Housing Assistance Fund (See Exhibit A for Fiscal Year 2007-2008 budgeted funds). AHFC offices are located in the City's Neighborhood Housing and Community Development Office and its employees are City employees.
