BID TABULATION

Rental-Temporary Traffic Control Devices Services (Alternate Source)

IFB NO. RCH0035

(Eight Scenarios)

VENDOR

TOTAL EXTEND BID

United Rentals Highway Tech. Austin, TX	\$63,494.42
--	--------------------

N-Line Traffic Maintenance Austin, TX	*\$51,942.10
--	--------------

*Although N-Line Traffic Maintenance was the low bidder for this solicitation, it is currently the primary contractor for these type services under a separate contract award; therefore, are ineligible to receive the award as the primary and backup contractor.

Note: Eight different scenarios were used to evaluate the line item prices submitted by the vendors to determine who was overall lowest in price based on the scenario totals. Each bidder provided firm unit pricing to be used during the term of the contract.
