Subject	RE Annexation Application

Mr Buratti –

Thank you for the email confirming your request I will discontinue the current annexation process for parcel 0156403010000 (34 690 acres)

I would also like to provide clarification on parcels 01543401020000 (0 869 acres) and 0156340306 (0 5 acres) – these two smaller tracts were annexed in 1997 per annexation ordinance 971204-I http //www cityofaustin org/edims/document cfm?id=49758 and the status of those two parcels is not affected by this request

I briefly spoke with John Joseph this morning and expect to proceed with the annexation request for the balance of the Venue at Lake Travis area, including the remaining parcel 01513701020000 (42 acres)

If you have any questions or concerns, please do not hesitate to call me   Thanks
