

**ZONING CHANGE AND RESTRICTIVE COVENANT TERMINATION
REVIEW SHEET**

CASE: C14-2007-0076 & C14-84-361 (RCT)

PC Date: August 14, 2007

ADDRESS: 2200 Tillery Street

APPLICANT/AGENT: Smart Mail of Austin (Lawrence Mathis)

ZONING FROM: LO-MU-CO-NP

TO: CS-MU-CO-NP

RESTRICTIVE COVENANT REQUEST: Terminate the restrictive covenant limiting the types of uses allowed on the property to only those listed, and placing other restrictions on the property.

AREA: 1.217 acres

SUMMARY STAFF RECOMMENDATION:

Staff alternatively recommends approval of Community Commercial-Mixed Use-Conditional Overlay-Neighborhood Plan (GR-MU-CO-NP). The conditional overlay would limit the total daily vehicle trips to not more than 2000 and prohibit the following uses:

1. Automotive Rentals
2. Automotive Repair Services
3. Automotive Sales
4. Automotive Washing (any type)
5. Commercial Off-Street Parking
6. Off-Site Accessory Parking
7. Pawn Shop Services
8. Service Station

Staff recommends the termination of the restrictive covenant.

PLANNING COMMISSION RECOMMENDATION:

August 14, 2007: Postponed to August 28, 2007.

August 28, 2007:

1. APPROVED STAFF'S RECOMMENDATION FOR TERMINATION OF THE RESTRICTIVE COVENANT. [J.REDDY, T.ATKINS 2ND] (8-0)
2. APPROVED STAFF'S RECOMMENDATION FOR GR-MU-CO-NP DISTRICT ZONING. [J.REDDY, T.ATKINS 2ND] (6-2) M.DEALEY, P.HUI – NAY

DEPARTMENT COMMENTS:

In 1984 a restrictive covenant was placed on this property restrict the available uses to largely office and limited commercial uses. In 1986 this RC was amended to specifically allow the State Bar of Texas to operate a print shop at the location. Both documents are attached.

The intent is to operate a digital print shop (similar to Miller Blue Print). The roughly 20,000 square foot building would be divided into 12,000 square feet of air-conditioned space with large digital printers and roughly 8,000 square feet of non-conditioned warehouse. While printing and publishing is allowed in GR base zoning, the amount of warehouse proposed is too great to be considered an accessory use. Limited warehouse and distribution requires CS base zoning.

The site is currently zoned Limited Office-Mixed Use-Neighborhood Plan (LO-MU-NP) combining district. The request is to rezone the property to General Commercial Services-Mixed Use-Conditional Overlay-Neighborhood Plan (CS-MU-CO-NP). The applicant has agreed to limit the development to less than 2,000 vehicle trips per day, and to prohibit the following uses:

- | | |
|------------------------------------|--|
| 1. Agricultural Sales and Services | 17. Funeral Services |
| 2. Automotive Rentals | 18. General Retail Sales (Convenience) |
| 3. Automotive Repair Services | 19. General Retail Sales (General) |
| 4. Automotive Sales | 20. Hotel-Motel |
| 5. Automotive Washing (any type) | 21. Kennels |
| 6. Bail Bond Services | 22. Laundry Services |
| 7. Building Maintenance Services | 23. Marina |
| 8. Campground | 24. Monument Retail Sales |
| 9. Commercial Blood Plasma Center | 25. Off-Site Accessory Parking |
| 10. Consumer Convenience Services | 26. Pawn Shop Services |
| 11. Drop-Off Recycling Collection | 27. Plant Nursery |
| 12. Equipment Repair Services | 28. Restaurant (General) |
| 13. Equipment Sales | 29. Restaurant (Limited) |
| 14. Exterminating Services | 30. Service Station |
| 15. Food Preparation | 31. Vehicle Storage |
| 16. Food Sales | 32. Veterinary Services |

Staff alternatively recommends the termination of the restrictive covenant and approval of Community Commercial-Mixed Use-Conditional Overlay-Neighborhood Plan (GR-MU-CO-NP). The conditional overlay would limit the total daily vehicle trips to not more than 2000 and prohibit the following uses:

- | | |
|----------------------------------|----------------------------------|
| 1. Automotive Rentals | 5. Commercial Off-Street Parking |
| 2. Automotive Repair Services | 6. Off-Site Accessory Parking |
| 3. Automotive Sales | 7. Pawn Shop Services |
| 4. Automotive Washing (any type) | 8. Service Station |

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	LO-MU	Print Shop
<i>North</i>	CS-CO-NP	Landscaping Company
<i>South</i>	MF-2-NP	Single Family Residence
<i>East</i>	CS-CO-NP and SF-3-NP	Single Family Residence and Undeveloped
<i>West</i>	GR-NP	Tire Storage

AREA STUDY: The property lies within the MLK neighborhood plan area. The draft future land use map calls for mixed use land use for this property. The requested CS-MU-CO-NP zoning is in compliance with the adopted neighborhood plan.

TIA: A traffic impact analysis was waived for this case because the applicant agreed to limit the intensity and uses for this development. If the zoning is granted, development should be limited through a conditional overlay to less than 2,000 vehicle trips per day. [LDC, 25-6-117]

SUMMARY STAFF RECOMMENDATION

Staff alternatively recommends approval of Community Commercial-Mixed Use-Conditional Overlay-Neighborhood Plan (GR-MU-CO-NP). The conditional overlay would limit the total daily vehicle trips to not more than 2000 and prohibit the following uses:

1. Automotive Rentals
2. Automotive Repair Services
3. Automotive Sales

5. Commercial Off-Street Parking
6. Off-Site Accessory Parking
7. Pawn Shop Services
8. Service Station

Staff recommends the termination of the restrictive covenant.

BASIS FOR LAND USE RECOMMENDATION (ZONING PRINCIPLES)

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

Community Commercial base district zoning is the designation for an office or other commercial use that serves neighborhood and community needs and that is generally is accessible from major traffic ways.

The Mixed Use combining district is to allow office, retail commercial and residential uses to be combined in a single development.

2. *Zoning changes should promote compatibility with adjacent and nearby uses.*
3. *Zoning should promote a transition between adjacent and nearby zoning districts, land uses, and development intensities.*

GR zoning would provide a transition from the CS zoning to the north and the multi-family zoning to the south..

Transportation

No additional right-of-way is needed at this time.

A traffic impact analysis was waived for this case because the applicant agreed to limit the intensity and uses for this development. If the zoning is granted, development should be limited through a conditional overlay to less than 2,000 vehicle trips per day. [LDC, 25-6-117]

Existing Street Characteristics:

Name	ROW	Pavement	Classification	Sidewalks	Bus Route	Bike Route

Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is located in the Boggy and Tannehill Branch Creek Watersheds of the Colorado River Basin, which are classified as Urban Watersheds by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

Impervious cover is not limited in this watershed class; therefore the zoning district impervious cover limits will apply.

This site is required to provide on-site structural water quality controls (or payment in lieu of) for all development and/or redevelopment when 5,000 s.f. cumulative is exceeded, and detention for the two-year storm. At this time, no information has been provided as to whether this property has any pre-existing approvals which would preempt current water quality or Code requirements.

According to flood plain maps, there is no flood plain within the project area.

At this time, site-specific information is unavailable regarding existing trees and other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

Site Plan

Site plans will be required for any new development other than single-family or duplex residential.

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540-feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

Compatibility Standards

The site is subject to compatibility standards. Along the east property line, the following standards apply:

- No structure may be built within 25 feet of the property line.
- No structure in excess of two stories or 30 feet in height may be constructed within 50 feet of the property line.

- No structure in excess of three stories or 40 feet in height may be constructed within 100 feet of the property line.
- for a structure more than 100 feet but not more than 300 feet from property zoned SF-5 or more restrictive, 40 feet plus one foot for each 10 feet of distance in excess of 100 feet from the property zoned SF-5 or more restrictive.
- Additional design regulations will be enforced at the time a site plan is submitted.
- An intensive recreational use, including a swimming pool, tennis court, ball court, or playground, may not be constructed 50 feet or less from adjoining SF-3 property.

Water and Wastewater

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing the water and wastewater utility improvements, offsite main extensions, system upgrades, utility relocation, and abandonment. The water and wastewater plan must be in accordance with the City of Austin utility design criteria. The water and wastewater utility plan must be reviewed and approved by the Austin Water Utility. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

I requested to Smart Mail moving these in the first place. The planning commission is combining but people don't want to do it. The general location is the over the street was not going to hold several. They are held weekly. We can not get a lot of things in there. But they are not. Comments:

The design for CS-MU-NP

seems inconsistent of the neighborhood. Although it is w/ the boundary for this type of zoning (established in the neighborhood meeting) it does not meet the intent of these meetings. There are residences directly next door across the street etc. Please take the time to look closely at this rezoning.

Ms. Walsh --

Attached is the amendment to my zoning application #C14-2007-0076. I had previously met with Robert Heil regarding my case, the attached letter being the result of our conversation.

I understand my case will be considered by the Planning Commission on August 14 and that Mr. Heil will be back in the office July 30th. I will contact him at that time.

Thank you for responding to my inquiry.

NOW, THEREFORE, Jimmy Youngquist for and in consideration of One and No/100 Dollars (\$1.00) and other good and valuable consideration in hand to the undersigned paid by the City of Austin, the receipt of which is hereby acknowledged, does hereby agree with respect to said property described above, such agreement to be deemed and considered as a covenant running with the land, and which shall be binding on him, his successors and assigns, as follows, to-wit:

1. The property shall be used only for professional or semi-professional business offices including medical and dental offices and laboratories, private schools or nursing home, business machine sales, rental or display, accessory parking, or any such other use as may be approved in writing by a majority of the property owners owning property within three hundred (300) feet of the subject property.

2. All business activity shall be conducted inside the building. No business shall be conducted within the building which shall create a nuisance to the neighborhood such as loud noises or air pollution.

3. The parking area and areas outside the building shall be lighted after dark. After normal business hours, access to the parking area shall be limited to those persons conducting business within the building.

4. A privacy fence no greater than six feet in height shall be maintained along property lines adjacent to the residential property.

5. If any person, persons, corporation or entity of any other character shall violate or attempt to violate the foregoing agreement and covenant, it shall be lawful for the city of Austin, a municipal

corporation, its successors and assigns, to prosecute proceedings at law, or in equity, against said person, or entity violating or attempting to violate such agreement or covenant and to prevent said person or entity from violating or attempting to violate such agreement or covenant.

6. If any part or provision of this agreement or covenant herein contained shall be declared invalid, by judgement or court order, the same shall in no wise affect any of the other provisions of this agreement, and such remaining portion of this agreement shall remain in full force and effect.

7. The failure at any time to enforce this agreement by the City of Austin, its successors and assigns, whether any violations hereof are known or not, shall not constitute a waiver or estoppel of the right to do so.

8. This agreement may be modified, amended, or terminated only by joint action of both (a) a majority of the members of the City Council of the City of Austin, or such other governing body as may succeed the City Council of the City of Austin, and (b) by the owners of the above described property at the time of such modification, amendment or termination.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.
