5. Consider a Recommendation on an Interlocal Agreement with Travis County for Tuscany Way from Exchange Drive to Ferguson Lane

Mr. Taylor explained this is a connector from Ferguson Lane to the existing Tuscany Way. Commissioner Hawthorne asked if Ferguson Lane was still a small road. Mr. Taylor said Ferguson Lane north of Hwy 290 is a 4-lane roadway in an industrial area. He said the City will provide the acquisition of right of way and Travis County will be the project manager.
