RECOMMENDATION FOR COUNCIL ACTION

Subject: Approve an ordinance amending Section 13-1-112 of the City Code establishing speed limits on streets at Austin-Bergstrom International Airport to reflect the change of name of portions of New Airport Drive to Freight Lane and Hotel Drive, and provide for emergency passage.

Amount and Source of Funding: There is no unanticipated fiscal impact. A fiscal note is not required.

For More Information: David Petersen, General Counsel, 530-7626.

Prior Council Action: Ordinance Nos. 20061130-009 and 20061130-010 changing the street name of portions of New Airport Drive to Hotel Drive and Freight Lane.

On November 30, 2006 the City Council passed ordinances affecting the following Airport street name changes:

1. The street name for the 9100 through 9400 blocks of New Airport Drive was changed to Freight Lane.
2. The street name for the 9500 through 10300 blocks of New Airport Drive was changed to Hotel Drive.

The proposed ordinance would amend section 13-1-112 (F) of the City Code which establishes a maximum prima facie speed limit of 30 miles per hour on certain streets at Austin-Bergstrom International Airport to delete New Airport Drive, and to add Hotel Drive and Freight Lane.
