Comments: The City Ordinance is fair and equitable.  
There is something inherently wrong with  
trying to deviate from a fair ordinance. It is  
inconvenient with the quality of life for those  
respective live in this area and others lack  
of appreciation for the rest of us as one person(s)  
attempts to attack our present well-being.  
How big is big enough? Whatever encroaches  
on the rest of us is too big. We oppose this request!

Comments:

*There is no reason a house can't be built to meet the restrictions of the new ordinance. The precedent of allowing 25'8" here or 9'1" there to add space or walls is not a good one. Many people worked hard to establish these restrictions for reasons that become obvious as you drive around Taunton. The ordinance has been challenged and has held up. ~~It is a double lot, but it is a single lot being developed and it is only a matter of time before the adjoining lot is developed. When all is said and done there is the possibility that we 2 houses across from us that together appear like a 6000 sq. ft. house.~~*

Comments:

THE MODIFICATIONS REQUESTED ARE  
A FUNCTION OF TEARING DOWN ONE  
HOUSE TO BUILD TWO HOUSES. THIS  
IS INCONSISTENT WITH THE CURRENT  
NEIGHBORHOOD. ADDITIONALLY, I  
SEE NO REASON WHY A HOUSE  
COULD NOT BE DESIGNED/ BUILT  
WITHIN THE CODE ESTABLISHED.  
THE CODES WERE DESIGNED TO ALLOW GREENSPACE  
TO REMAIN IN THE  
NEIGHBORHOOD AND  
LIMIT THE HOUSING  
DENSITY.
