In order to modify or alter the existing speed limit of a street, the Texas Traffic Laws require that a traffic engineering investigation be performed. Traffic volumes, traffic speeds, and pedestrian volumes and patterns were evaluated by the Transportation Division of the Public Works Department to determine what, if any, modifications could be made to improve the safety of the students attending Perez Elementary School. As a result of this investigation the Transportation Division recommends adding the following to the City Code Section 12-4-64(D) (20 Mile Per Hour School Zones):

Amendment to Code Section 12-4-64(D) (20 Miles Per Hour School Zones):

Add: South Pleasant Valley Road from 100 feet south of Quicksilver Boulevard to Edge Creek Drive (Perez Elementary School).
