

RESOLUTION NO. 20070809-035

WHEREAS, the City of Austin is responsible for providing drinking water to its citizens in a fiscally and environmentally responsible manner;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the City will delay construction of Water Treatment Plant 4 for not more than one year.

That the City will conduct an environmental cumulative impact assessment as advised by the City's Environmental Board, and will take all other steps necessary to account for the probable listing of the Jollyville Salamander.

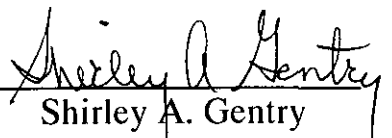

That the City will do a full review and re-examination of site selection criteria for a water treatment plant supplied by a Lake Travis water intake.

That the City will re-examine previously reviewed sites, including Cortana, and will examine new potential sites in light of any new site selection criteria.

That the City will accelerate its water conservation program and consider adopting additional measures for water conservation, efficiency and re-use.
