RE: NPA-2007-0016.02

Dear Kathleen,

I want to thank you for all the hard work and diligence you have put into our project to help us succeed in our plans. However, after many neighborhood meetings and discussions, we came to a compromise with several neighborhood residents that lead us to change our plat. Therefore we wish to withdraw our plan amendment application (file number NPA-2007-0016.02).

Thank you for your kind and immediate attention to this matter.

Regards,

Michael N. Casias
