Prior Council Action: 06/08/06 – Approved a 12-month service contract with extension options available upon Council approval. 11/8/07 – Approved Amendment No. 1 for a 120-day holdover.

With the cooperation of the Travis County Attorney, County Court at Law Judges, MHMR, Travis County and the Community Court, the plans were finalized for the establishment of a 90-day residential treatment facility for those individuals who have been charged with Class B Enhanced Public Intoxication. Travis County approved funding for two FTE Case Managers and a half-time nurse and psychiatrist for Fiscal Year 2006-2007 and the current Fiscal Year. In addition to counseling for substance abuse issues and appropriate referrals for mental health treatment, clients will be given life skills training and every effort will be made to secure long term housing and employment for those individuals completing the treatment cycle.

This proposed amendment will provide for a continuation of the services for an additional 60 days in order for the Downtown Austin Community Court to work with MHMR to modify the existing scope of work. This item will be brought back to Council, with a revised scope of work, in late February or early March 2008 for approval.
