This interlocal agreement will provide for the construction and relocation of City water and wastewater lines and facilities in connection with the TxDOT bridge replacement project on FM 2222 at Lakewood Drive (Bull Creek).

The City of Austin improvements consist of relocation of 1,750 linear feet of 16-inch water line including a utility bridge, open cut excavation crossing FM 2222, 16 vertical feet adjustment of wastewater line shaft vent, and one manhole. Texas Department of Transportation has tentatively established a schedule to start the project in Summer 2008.
