The Coshena Tracts (approximately 10 acres) is located in northern Travis County and includes land west of IH 35 at the intersection of IH 35 and Grand Avenue Parkway. This area is currently in the City's limited purpose jurisdiction (annexed September 13, 1984) and includes Travis Central Appraisal District parcels 0276261001 and 0276261101.

In lieu of completing the full purpose annexation initiated on December 6, 2007, City staff and the owner of the Coshena Tracts have negotiated an agreement providing for a 10 year delay of full purpose annexation of the Coshena Tracts, and establishing development regulations and conditions for the area.

Key provisions of the Development Agreement include:

1. Land use and development are subject to all of the City's laws, ordinances, regulations and administrative rules (including the Land Development Code) regarding development.
2. No special districts will be created in the Coshena Tracts, nor shall they be included within the area of any such districts, without prior written approval of City Council.
3. The owner of the Coshena Tracts will execute a restrictive covenant that includes a restriction that its successors in interest including end-buyers of developed lots consent to full purpose annexation.
4. Full purpose annexation effective 12/31/17.
