RE Case No. C14-2007-0207, The Village, Request for VMU designation

Dear Mr. Guernsey,

As Co-Chair of the Development Committee of the North Shoal Creek Neighborhood Association (NSCNA), I have been delegated with authority to represent our Board of Directors with regards to this matter. The Lamy Group and its representatives and NSCNA have been in discussions concerning the application for rezoning of the property located at 2700 W. Anderson Lane, now known as The Village Shopping Center, which is located within the boundaries of our neighborhood.

The Lamy Group's application for rezoning was originally scheduled for consideration by the Planning Commission on January 29, 2008. Due to the above-referenced discussions, however, consideration by the Commission has now been postponed until February 26, 2008. Due to those postponements, it is my understanding that you also need a request for a postponement of the City Council agenda item that had been originally set for February 14, 2008. Please accept this letter as a request for such a postponement of Council consideration until March 20, 2008. This request is by agreement of NSCNA and The Lamy Group.

Thank you for your attention to this matter. Should you have any questions, I can be reached at (512) 750-0465.

Sincerely,

Elizabeth R. (Betsy) Todd
Co-Chair, Development Committee
North Shoal Creek Neighborhood Association
