In order to modify or alter the existing speed limit of a street, the Texas Traffic Laws require that a traffic engineering investigation be performed. An investigation was conducted by the Public Works Department in accordance with the procedures specified in the Texas Procedures for Establishing Speed Zones, November 2006. As a result of this investigation, the Transportation Division recommends the following:

Amendment to Code Section 12-4-64(D):

Add: Kinney Oaks Court from Bridgeway Drive (east intersection) to Bridgeway Drive (west intersection) [25 mph].
