The property and residence located at 7101 Foy Circle are part of the Streambank Restoration and Erosion Management Program. The purpose of the program is to provide protection for structures and public amenities by controlling streambank erosion and preserving the natural character of our creeks.

The lot to be acquired is approximately 0.30 acres with improvements that include a two-story wood-frame 1,545-square-foot single family dwelling. The market value of the property including improvements is \$115,000, as determined by independent appraisal. The owner has agreed to accept the City's offer and is eligible for relocation expenses estimated to be \$22,500, plus moving related expenses not to exceed \$10,000. The City will relocate the owner according to the City of Austin Relocation Ordinance.
