Public Works
RECOMMENDATION FOR COUNCIL ACTION

Item No. 33

Subject: Authorize the execution of an interlocal Multiple Use Agreement (MUA) with the Texas Department of Transportation (TxDOT) to allow the City of Austin to use TxDOT's duct banks for installing fiber optic cable for the operation of traffic signals.

Fiscal Note: There is no unanticipated fiscal impact. A fiscal note is not required.

For More Information: Brian Craig 974-4061, Robin Field 974-7064

This Multiple use Agreement (MUA) is a cooperative effort between City of Austin and TxDOT granting the City access to TxDOT duct banks for connecting additional signals to the City's Traffic Management Center, and for operating and maintaining the signals.

The City of Austin Law Department has reviewed and approved this MUA.
