On July 27, 2006, the Council approved and accepted \$6,255,823 from the Federal Emergency Management Agency Hazard Mitigation Grant Program for the Onion Creek Voluntary Flood Buyout-FEMA-1606-DR Project. The purpose of the project is to purchase and demolish up to 118 single-family structures in the floodplain of Onion Creek, an area significantly impacted during the floods of October 17, 1998 and November 15, 2001, and maintain the land as open space. The property and residence located at 5606 Vine Hill Drive are part of the approved grant program.

The lot to be acquired is approximately 0.23 acres with improvements that include a 1,544 square foot single family dwelling (doublewide mobile home). The market value of the property including improvements is \$67,000, as determined by an independent appraisal. The owner has agreed to accept the City's offer, plus moving related expenses not to exceed \$10,000.
