On April 24, 2008, the City Council directed the City Manager to initiate a code amendment to revise the boundaries of the East Sixth Street/Pecan Street (PS) Overlay District to exclude the area west of Brazos Street. The Council directed that the code amendment be brought to Council by June 19, 2008.

The Planning Commission recommended the district boundaries not be changed, and the forty-five foot (45') height limit be lifted. The proposed ordinance reflects the Planning Commission recommendations.
