Mr Wm Hetz appeared before the Council and filed the following protest, and asked that the same be placed on file in the records of the City;

Austin, Texas, May 15th 1913.

To the Honorable Mayor and City Councilmen :

Gentlemen :

I wish to enter my protest against the City granting the Ry Co putting any more trackswitches on third street in front of my property at 209 East 3rd street for the reasons as follows :

If tracks come any nearer to our curbing the smoke and cinders from the engines will kill my trees, & further the engine passing the house now shakes every window and door in the house and by putting it nearer will shake the house worse and endanger the strength of the house and the peace & comfort of myself and family by requiring the Ry Co mpany . If they want better terminal facilities to purchase the half block from the Consumers Ice Plant to Brazos street it would give us relief in-somuch as the noise would not be confined and the company would then have all the room necessary for their tracks .

Please file this protest with the records of this case for future reference to be used in Court for if my trees are killed and house ruined by constant shaking from the engines passing .I will undoubtedly ask for damages

Yours most respectfully ,

Wm Hetz,

209 East 3rd street Austin, Texas

Gentlemen :

In the Budget of the Water, Light and Power Department for the Year 1913, \$ 42,500.00 was appropriated for the purchase of Refunding Bonds , dated July 1st , 1901, and due July 31st, 1931.

With this amount of money I have purchased forty -six bonds of the total amount , at face value, of \$ 42,500.00. These bonds have cost the City , together with accrued interest since the 1st of January and exchange, the sum of \$ 41, 868.50. . Deducting this \$ 41,868.50 from the \$ 42,500.00 appropriated for the purchase of Refunding Bonds , and there is left the sum of \$ 631.50, which balance of \$ 631.50 I beg to transfer by the accompanying resolution to the Earnings fund of the Water, Light and Power Department.

As a matter of fact all these bonds were purchased at a discount of -ninety six cents on the dollar in one instance to ninety -eight cents in another instance. Five-Sixths, however, of the bonds were purchased at about ninety seven and one half cents on the dollar . The net discount on these bonds from their face value amounted to \$ 645.50, the accrued interest amounted to \$ 399.00 , and the exchange amounted to \$ 31.96. Adding the accrued interest to the discount , these bonds were purchased at a total discount, had they been bought, say, on the first day of January 1913, of \$ 1044.50 . .

Attached hereto is a schedule showing the operations of this redemption transaction , a copy of which I am handing to Hon E C Bartholomew Supt of the Water , Light and Power Department.

Respectfully,

A P Wooldridge, Mayor.
