REGULAR MEETING OF THE CITY COUNCIL:

Austin, Texas, July 19, 1935.

The meeting was called to order at 10:00 A. M., with Mayor Tom Miller presiding. Roll call showed the following members present: Councilmen C. F. Alford, C.M. Bartholomew, Simon Gillis, Mayor Tom Miller, and Councilman Oswald G. Wolf, 5; absent, none.

The reading of the Minutes was dispensed with.

The request of C. L. Volz for street lights at the corner of 8th and Waller Streets and 7th and Waller Streets and for a culvert at 8th and Waller Streets was referred to the City Manager and City Engineer, respectively.

D. L. Spinks and Walter Roberts came before the Council relative to their protest against the city dump near Govalle. They were advised that the nuisance would be abated as quickly as possible.

Councilman Gillis offered the following resolution:

WHEREAS, Texas Public Service Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT Texas Public Service Company be and the same is hereby permitted to lay and

construct its gas mains in and upon the following streets:

(1) A gas main in WEST SIXTH STREET, beginning at a point 11 feet south of and 21 feet west of the intersection of the north line of West 6th Street and the east line of Wood Street;

Thence in a westerly direction with the centerline of a gas main, which centerline shall be 11 feet south of and parallel to the north line of West 6th Street for a distance of 250 feet.

Said gas main described above shall have a cover of not less than 2½ feet.

The Texas Public Service Company is hereby put upon notice that the City of Austin does not guarantee that the space assigned above is clear from other underground utilities, but is based upon the best records we have at hand, and that the minimum depth stated does not have any reference to the fact that greater depths may not be required at special points. When the Texas Public Service Company requires definite information upon the ground as to elevations or working points from which to base the location of their assignments, they shall apply to the City Engineering Department not less than three (3) days before such information is required. The Texas Public Service Company is further put upon notice that they will be required to bear the expense of repairs or replacement of any underground utility damaged during the construction of lines named in this resolution.

AND THAT whenever pavement is cut in the vicinity of a fire plug, water must be used at intervals during the course of backfilling of the ditches.

THAT the work and laying of said gas mains, including the excavation in the streets and the restoration and maintenance of said streets after said mains have been laid, shall be under the supervision and direction of the City Manager and under all the pertinent terms and conditions of the certain franchise granted to said Company by the City of Austin.

The resolution was adopted by the following vote: Ayes, Councilmen Alford, Bartholome Gillis, Mayor Miller, and Councilman Wolf, 5; nays, none.

Councilman Wolf offered the following resolution:

WHEREAS, the Southwestern Bell Telephone Company has presented to the City Council tentative maps and plans showing the proposed construction of its pole lines in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Engineer; therefore
