---

On May 15, 2008, Council approved an ordinance adding twenty-two (22) additional neighborhood areas to the Restricted Parking Area Map. Due to an administrative error, two areas were erroneously added to the Map. This action will amend the Restricted Parking Area Map by removing the following two areas:

1. The area located just south of the Gracywoods Neighborhood Association, south of Braker Lane and north of Kramer Lane. This area was erroneously added due to a boundary discrepancy; and
2. The North Acres Homeowners' Association, located in Windsor Hills. This area is not located within the Austin city limits and is not patrolled by the Austin Police Department which enforces the Ordinance.

The updated 2008 Restricted Parking Area Map deleting the two areas discussed above is attached.
