

MEMORANDUM

TO: Marc Ott, City Manager

FROM: Greg Canally, Budget Officer

DATE: July 24, 2008

SUBJECT: Downtown Street Event Closure Task Force – Number of Members

Item # 85 on the July 24, 2008 Council Agenda is to approve an ordinance amending Ordinance No. 20080605-045 to increase the number of members of the Downtown Street Event Closure Task Force, and related items. At this time, allowing for additional members to join this task force upon Council approval has no fiscal or staffing impact. Therefore, a budget amendment is not required.
